

Okaw Valley Amateur Radio Club Net

Call Up Procedures
Modified June 4, 2009

CQ, CQ, CQ, Calling CQ for the Okaw Valley Amateur Radio Club net.

This is _____ (net control's call), _____ (first name) NET CONTROL station for this evening. The Okaw Valley Amateur Radio Club net meets Sunday evenings at 2100 hours local time for the purpose of dissemination of information and fellowship among all amateurs. During tonight's net the order of stations called will be mobile stations, stations with traffic, QRU or in-and-out stations, and finally regular check ins. Please identify yourself by your call sign, your first name and your location. Is there any emergency traffic at this time? (pause)

At this time _____ (net control's call) will standby for any MOBILE stations. Again, please identify yourself by your call sign, your first name and your location.

At this time _____ (net control's call) will standby for any STATIONS WITH TRAFFIC—announcements for the net.

At this time, _____ (net control's call) will standby for any QRU or in-and-out stations.

Finally, _____ (net control's call) will standby for any REGULAR CHECK INS—those with comments or questions.

Are there any late check ins?

Are there any stations with additional information?

We would like to thank each and every amateur for their participation in tonight's Okaw Valley Amateur Radio Club net and remind you of other weekly nets in our area:

WA9RUM	Mondays	8:30 pm	146.82	no PL
Macoupin County ARC	Sundays	6:30 pm	this frequency	

We now close the net and return the repeater to regular amateur use.
